Girl Guides of St. Vincent and the Grenadines

22nd November 2013

Dear Sisters in Guiding:

Girl Guiding offers a values based, non-formal education programme operating in an intergenerational, global, multi-cultural environment. Guiding is about meeting new friends, developing an understanding of teamwork and a sense of adventure as well as absorbing the importance of taking part in a wider community and reaching out to make a difference; both locally and globally.

It is within this framework that we, the Girl Guides Association of Saint Vincent and the Grenadines are delighted to host and invite you to *Youre mei SPLASH 100*, the 100th Anniversary International Camp of the Girl

Guides Association of Saint Vincent and the Grenadines to be held in the North Windward area of this country from **Wednesday 16th April 2014 to Thursday 24th April 2014**. It is anticipated that this camp would accommodate hundreds of Girl Guides between the ages of 13 years and 16 years from WAGGGS' countries with the primary objective being for them to celebrate Guiding and share with us during this exciting time while discovering their potential. Countries are invited to send a maximum of **10 girls** accompanied by **2 leaders**.

The deadline for applications is **January 31st 2014** and **the camp fee is US \$400.00**. Acceptance in principle would be appreciated by 31st December 2013. We'd love you to come and be a part of this memorable and historic activity which forms part of our centenary activities and will contribute to the holistic development of participants.
